

## Flat Jesus of ELC Mt Horeb

FLAT JESUS was created by the fine folks at St. James Episcopal Church in Birmingham, MI as a way to keep their parishioners connected during the summer. It quickly blossomed into an international sensation with hundreds of people sending FLAT JESUS to disciples around the world.

Folks love taking FLAT JESUS out to dinner with them, to the beach, to hang with their grandchildren, and ended up meeting new friends all over town! It's an amazing adventure. You can also send FLAT JESUS to your family and friends as a reminder that Jesus is with them wherever they are. Have them snap a picture of FLAT JESUS with them by a local landmark or where they work and share it with you.

How to create your very own FLAT JESUS:

1. Print FLAT JESUS on heavy cardstock paper if possible.
2. Be creative! Decorate FLAT JESUS. Think about what, if anything, his robe should say. What color and type of hair does your FLAT JESUS have? What color skin tone? Any accessories?
3. Make one for yourself and one for a friend!
4. If you have access to a laminating machine, laminate your FLAT JESUS. This way if he attempts to walk on water or spills a lot of wine, he'll be protected!
5. Take your Flat Jesus everywhere with you and take lots of pictures and then share them

7. Consider sending FLAT JESUS to your friends and family and have them take photos of FLAT JESUS in places they visit.

Take FLAT JESUS with you and see what happens.
