

# WELCOME to ELC Mt. Horeb

## A Note from PASTOR JOHN

### **REMEMBER**

*I'll sing with all the saints who've gone on before,  
And sing with all the saints of earth.*

*And I'll always remember the stories told,  
By those of the past generation."*

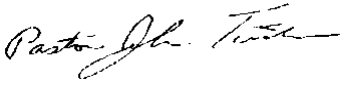

(from *I Will Always Remember* by John Ylvisaker)

I learned this song 25 years ago when I was serving the Fagernes Lutheran Church outside of Blair, WI. We sang it for the 125<sup>th</sup> anniversary of that congregation. We were back last month to celebrate the 150<sup>th</sup> anniversary, and had a great afternoon recalling stories with old friends from that tiny congregation.

Now in November we once again mark All Saints' Sunday, and spend time remembering all those dear friends who have completed their course on earth and new rest with the Lord. With each passing year I feel like the chorus of the 'saints who've gone on before' is growing louder and louder in my soul. From members of my immediate family, to the many from my church family, the memories of those lives lived in faith fill my mind and tug at my heart.

At the same time, I begin to wonder about the witness you and I are leaving. It's one thing to visit tiny Fagernes church in the sparsely populated end of Trempealeau county, where dairy farms are disappearing rapidly, and the hearty folks understandably struggle to keep the doors open. Then return to the hustle and bustle of a growing community in Mt. Horeb, and find too many empty pews, and a family of faith that seems increasingly distracted.

What legacy will our generation leave to remember? What stories of faith, fellowship, service and love will echo in the hearts of our children and our community? Let us remember what has been done for us, and sing songs of faith in our worship and our work that will

A handwritten signature in cursive script, appearing to read "Pastor John Tinsley".

carry the faith into the next generations!!

## FROM the INTERN'S DESK

### *What is happening?*

*"For to us a child is born, to us a son is given...and he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace."*

(Isaiah 9:6 NIV)

I feel like what needs to follow that verse from Isaiah above is the phrase: "...just not yet!" I was in the Wal-Mart store in Sun Prairie a few weeks ago and to my wondrous surprise (and not in a good way) the store employees were putting up the Christmas tree displays and stocking the shelves with everything from ornaments to wrapping paper. I stood there for a second, checked my watch for the date: September 28! I must have made some kind of disheartened groan or something because one of the employees looked at me and said "I know...sad isn't it?" I walked away and could only think to myself, yes it is sad. Our consumer society is so impatient that we cannot even wait until after Halloween, let alone Thanksgiving, to begin to "deck the halls" for Christmas.

What is happening? What does that say about us? We are always waiting in anticipation for the next big thing but how often do we just sit still in the moment? Over these past few months we have been listening to the stories of the Old Testament. While the stories are all different, there is a common theme of God's amazing relationship with us – God's people. As people of God we are invited to maybe stop and sit in the here and now every once and a while. Whether that be in worship, prayer, conversation with a close friend, or even with a good book and a cup of your beverage of choice. Over the next month take a moment to stop and enjoy what God has given you, given us. The gift of time is an amazing thing. We don't have to rush it. The miracle of Christ's birth will be upon us before we know it but for now, let's just sit and enjoy the things happening now.

Autumn greetings from Agape,

The fall weather has been great allowing for lots of fun playing outside. In addition to our regular lessons, the students have been learning about apples, fire safety, pumpkins, and much more. Their excitement and energy is so contagious!

Thank you to all who supported our 15<sup>th</sup> annual pie sale on Saturday, October 6<sup>th</sup> during the Mount Horeb Fall Festival. The fundraiser produced over \$1700.00 for the preschool. A special thank you to all of the parents and board members who helped work during the pie sale and the day prior baking over 70 extra pies: Thank you, thank you, thank you for your continued support and generosity of the Agape ministry!

The Mt Horeb Fire Department came for a visit on October 17<sup>th</sup> and 18<sup>th</sup>. The children learned about fire safety and saw a firefighter get all decked out in their full gear. The highlight was checking out the awesome firetruck parked right outside the preschool.

Blessings and Happy Thanksgiving,

## New Programs Showcase Lutheran Social Services' Reach

Scrolling through the Facebook page for Lutheran Social Services of Wisconsin and the Upper Peninsula is a great way to be reminded of the mind-boggling range of initiatives that organization leads. They're probably most familiar for their work in foster care and adoption. But they also offer programs and services for addiction treatment, senior housing, mental health, and family assistance.

Two such efforts really leap off the page:

- This fall, LSS launched its School-Centered Mental Health pilot program, which aims to help students who struggle with mental health issues, including self-harm, grief after losing a parent, self-esteem issues, stress, depression and anxiety. These school-based programs bring licensed mental health professionals to students during the school day, overcoming common challenges including health insurance coverage and cost.
- In July, LSS expanded its IRIS services to all 72 counties in Wisconsin. This program provides adults with disabilities a road map for self-directed care, which gives them independence — a luxury many of us take for granted.

We'd all do well to live by the three LSS principles:

**Act compassionately.**  
**Serve humbly.**  
**Lead courageously.**

Throughout November, we'll collect donations for LSS through the Benevolence Program. Please consider making a gift during Offering and designate your funds for Benevolence, or donating via our Give Plus+ app.

On behalf of the Social Action Ministry Team,

GOD'S WORK. OUR HANDS Thank you to everyone who came out to help with the God's Work, Our Hands service day on Sept. 30. We had over 50 volunteers participate and we accomplished a lot! Here it is, by the numbers:

- 65 pews in the Sanctuary and Chapel vacuumed and washed.
- 30 birthday bags stuffed for the Mt Horeb Food Pantry totaling around 100 pounds of birthday party items (cake mix, frosting, decorations, etc).
- 10 dozen monster cookies baked, bagged and frozen for the homeless lunches. A few dozen cutout cookies were also baked to be given to MH first responders.
- 6 fleece blankets tied for LWR.
- 5 dozen note cards decorated to be added to homeless lunches and sent to our homebound members.
- 3 dozen lunch bags decorated for Ronald McDonald House and homeless lunches.
- 20 window blinds in the Fellowship Hall washed.
- A few volunteers sorted clothes and food at The Clothes Closet and MH Food Pantry.
- Numerous windows were washed, lots of yardwork accomplished and we even unclogged one member's downspout!

**MOUNT HOREB AREA BLOOD DRIVE** will be held **on Friday, November 23, from 1:00-6:00pm at ELC.** For an appointment,

please contact (800) 448-3543 or visit **[www.redcrossblood.org](http://www.redcrossblood.org)**. As always, walk-ins are welcome. All blood types are needed to ensure a reliable supply for patients. A blood donor card, or driver's license, or two other forms of identification

are required at check-in. Eligible donors must be at least 17 years old, or 16 years old with a signed Red Cross parental/guardian consent form where state permits, must weigh at least 110 pounds and be in general good health.

THANKOFFERINGS are a long-standing custom among Lutheran women. We give in thanksgiving for blessings received—and we do receive so many blessings, don't we? And we are so grateful. That's why we give Thankofferings. Your generous Thankofferings help support the ongoing ministries of our churchwide women's organization, including our triennial conventions, the work of your elected churchwide board, the annual conference of synodical presidents, our communications ministries, justice and advocacy work, and so much more. It's been shown time and again that gratitude is good for us – spiritually, mentally, and even physically. Making a Thankoffering is gratitude in action, and Women of the ELCA is grateful to you for taking that action. Thank you.

Here at ELC, we will be gathering our **Thankofferings on November 17 & 18** at all services. If you have been collecting coins all year, please convert the amount to a check or larger bills for ease of counting.

**WOMEN'S OFFERINGS: A BRIEF HISTORY** The idea of collecting donations in small offering boxes goes back to the very early 1800s, when women formed "mite" or "cent" societies to raise money. Mite boxes were given out as fundraising tools to collect pennies for the support of church projects and foreign missionaries.

The earliest American Lutheran women's missionary society was founded in New York in 1837 to financially support the education and ordination of foreign missionaries from their synod. In 1879, the first national American Lutheran women's missionary society, the General Synod's Women's Home and Foreign Missionary Society, was founded. The original reason behind the creation? Funds were needed to financially support two young women who wanted to be foreign missionaries but were denied funding by the Board of Missions. A national women's structure was born!

The General Synod's Women's Home and Foreign Missionary Society created their first Thankoffering service in 1889 to celebrate the 10th anniversary of the organization. At that first Thankoffering, \$6,100 was collected. Today, Women of the ELCA collects more than

\$1 million in Thankofferings annually for the ministries and mission of our women's organization.
