# A Note from PASTOR JOHN

***May the blessing of God our creator, the love of Jesus Christ our redeemer, and the presence of the Holy Spirit the comforter, surround you and sustain you until we gather again. Amen.***

I spoke this blessing, as I have for several years now, at the end of our worship time together on March 8<sup>th</sup>. Little did I realize how much I needed you to hear them and take them with you. For there was no way of knowing in that moment that would be the last Sunday morning of worship at ELC for an undetermined number of weeks.

My final blessing given that day remains my prayer for each of us, that the blessing, love, and comfort given by God's presence will surround us and sustains until we can gather again. As a principle of faith, I know that God's presence remains ever strong and faithful, and yet I'm sure many of you feel a constant current of fear, doubt, and discouragement that tugs at your soul. I know those feelings are always close by for me.

There are so many family members and friends that I long to run to and gather close around or wrap in a warm hug. But right now, that would not be the loving thing to do. The best act of love in this time is to keep a physical distance, to reach out with our words, our hearts, and our prayers, but not to touch with our hands.

We cannot gather for worship, but we can still be the church. The church never was that building at 315 E Main. The church will always be the body of Christ, made up of ordinary people like you and me, claimed, redeemed, and blessed by God to be a blessing to the world. We need to be very intentional about being there for one another. Call your family, often. Check to see if your neighbors need help. Pray, listen, trust....until we can gather again.

Meanwhile we have the gift of technology that allows us to share messages on social media. Wednesday Lenten services and Sunday worship will be available on the Evangelical Lutheran Church of Mt. Horeb page on Facebook, as well on the church website: [www.elcmthoreb.org](http://www.elcmthoreb.org). (Look for the most recent worship on "This week at ELC" – found in the lower left corner of the home page. Past worship messages are available in the worship menu under "Sermon Archive".

Each morning at 8:00 a.m. I'll share a morning devotion on the Facebook page as well.

## **Because of the current pandemic**

### **◆ The church building is not open to the public.**

- Office staff will be in from 9am to noon each day to answer phones, email, and tend to ongoing tasks. Please leave voicemail on office phone for non-urgent tasks.
- If you need to contact Pastor John, leave a message on extension #3. These messages are automatically forwarded to his cellphone.
- Only groups deemed of vital public interest by emergency government (like the Red Cross) will be allowed in the building.

### **◆ Pastoral visits will be extremely limited**

- In order to safeguard health, in person visits are greatly discouraged. This is very difficult for both pastor and parishioners, but again is the most loving approach.
- Please make use of phone and email to communicate.

### **◆ Church finances will be a concern**

- Many people will probably have financial concerns with the disruptions to business and daily life. Without Sunday worship, the normal flow of offerings to the church are also curtailed.
- The congregational council and staff are doing what they can to reduce costs. Thermostats are turned way down, supplies are not being ordered. Hourly workers are dealing with reduced hours, and salaried workers are taken reductions in pay.
- **Please share what you can by sending your offering through US Mail, or online giving options. Call the church office, or click the 'give' tab on the church web page**

### **◆ When will worship return?**

- We don't know. It may be multiple weeks until the health department allows public gatherings again. We likely will not be in the church building for Easter this year. Our hope is to

celebrate the resurrection when we can gather together at a later date.

### **Being the church in this time**

While nearly all of our normal gatherings and programs are not possible under current conditions, how do we face the challenge to be God's presence in our community now?

#### **◆ Caring for our neighbors**

- We already have a list of volunteers who would be willing to do errands, or drop food and supplies at people's homes. If you'd like to join that list, email Pastor John ([john.twiton@elcmthoreb.org](mailto:john.twiton@elcmthoreb.org)) or call the office.
- If you need help or know someone who does. Let us know. Through Neighbors Helping Neighbors there are food deliveries available. But even if you just can't, or should leave your home for other things, let us know how we can help.
- Call, email, message, however you can check on your neighbors, friends and family. Isolation is not easy for human beings.

#### **◆ Tend to your spiritual and emotional life**

- Pray, make a regular time to intentionally deepen your relationship with God.
- Find a daily devotion. If you have access to the internet follow along with video devotions and worship.
- Breathe, know that God is with you!
- Don't forget to support ministry

To keep in touch, make sure Pastor John has your current email. Regular announcements are sent out to a large list each week, if you'd like to be included send an email to Pastor John at [john.twiton@elcmthoreb.org](mailto:john.twiton@elcmthoreb.org)

# COUNCIL NEWS

**Special**  
**MEETING**

The congregation meeting scheduled for April 5 has been canceled. Notice of new meeting date will be communicated in the near future."

## A LETTER FROM THE COUNCIL PRESIDENT

Dear Brothers and Sisters in Christ,

We know many of you will be facing tough times as our nation tries to fight off the coronavirus. Many have had their places of employment close, with no promise of when they can return. Others have seen their retirement savings reduced by the recent decline of the stock market. And all of us are facing an unknown and uncertain future.

As Pastor John's message indicates. The church is in a similar position. We have taken steps to curtail expenses, but the prohibition on large gatherings and the move to online services have and will continue to hurt our finances. Currently the General Fund balance is able to cover about one week's expenses. Pastor John has agreed to a pay cut. But it's going to take all of us to get through this crisis.

If your own financial situation supports it, please increase your giving to ELC. You can give by mail or online at

<http://elcmthoreb.org/home/give/>. Please also consider setting up your online giving as a recurring contribution, which adds predictability and stability to our budget.

We don't ask this lightly, but together, and with God's help, we can make it through this crisis.

On behalf of the Church Council,

Ben Brothers, Council President

# CHILDREN & YOUTH NEWS

Yes, our schedule for April looks very different than what is usually planned. I want us to be connected, even if we can't be together in person. We are trying to alter our programs to accommodate all the restrictions we have currently. Please keep watching your email for updates for new activities and keeping connected. This is a great opportunity for everyone to talk about faith together as a family. I hope everyone is staying well. If you have ideas for keeping connected, please let me know. Remember - keep watching email for updates.

**SUNDAY SCHOOL** I plan on emailing out plans that will follow our worship readings. This is a great opportunity to discuss the lessons as a family. If craft materials are needed, I can put together "Sunday School craft bags", which members could pick up at church, outside, by the back door.

**COMMUNION RETREAT** Our scheduled retreat & Seder Meal will not happen as planned. To modify this, we plan to have packets available for pickup, so that families can learn about Holy Communion as a family. I will send an email, when they are placed outside at ELC -back entrance to church for pickup. We plan to celebrate everyone's first Holy Communion, once we are able to worship together again.

**PRE-CONFIRMATION CLASSES (6th graders)** At this moment, I plan on creating lesson plans that can be done at home with your 6th grader, sent by email. I will look into possible ways of using technology as well.

**SUMMER CAMP (SUGAR CREEK)** Youth entering 3rd - High School are invited to experience a week at Sugar Creek. Great opportunity to enjoy God's beauty, while experiencing games, Bible Studies, crafts, water time in the pool, horseback riding and much more. # **BENEVOLENCE** Mission trip - Mount Horeb to El Salvador to bring clean water to the thirsty.

For the past ten years, small teams of Mt. Horeb area residents have participated in mission trips to drill clean water wells in four different under-resourced countries in Central America. These trips are coordinated through Immanuel Lutheran Church in partnership with Living Water International (LWI), a not-for-profit Christian-based organization which exists to demonstrate the love of God by helping communities acquire desperately needed clean water.

More than a billion people in the world live on less than a dollar a day. At least 844 million people lack access to safe drinking water. Poor communities around the world are trapped in debilitating poverty because they constantly suffer from water-related diseases and parasites, and/or because they spend long stretches of their time carrying water over long distances.

Since LWI started in 1991, they have completed over 20,000 water projects in 23 countries around the world. Today, LWI trains, consults with, and equips local people to work with volunteers from mission teams to implement water solutions in their own communities.

John Schmitt, from here in Mt. Horeb, annually leads a local team to a rural community in Central America. John will again lead a team from Mt. Horeb on the 10th annual well-drilling trip to a rural village in El Salvador in June, bringing clean water and hygiene training in Jesus' name to the people of a small community needing water. We ask for your prayers and support of this effort.

You can donate to the team from Mt. Horeb, through our April Benevolence. Donate via any weekly offering, by mail, or online. To donate online, visit the ELC website, download the "Give Plus Church" mobile app, or text "Benevolence" to 608-400-0183 with the amount you wish to give.

If you would like more information on Living Water. Visit [www.water.cc](http://www.water.cc)

# SERVICE OPPORTUNITIES

**BABY CAPS** Baby cap makers should continue knitting and crocheting from home. **We will not meet at church in April.**

**BABY CARE KITS...**Once again this year, Rebecca Circle is collecting items for Baby Care Kits for LWR. With garage sales coming up, perhaps you can have some fun shopping for and then donating some of the following (especially needed are marked with stars):

- \*baby blankets, cotton or flannel, crocheted or knitted, up to 52"square
- \*infant jacket, sweater, or sweatshirt with a hood
- \*hand towels, darker colored
- \*bath-size bars of gentle soap (4-5 oz) in its original wrapping
- lightweight cotton shirts
- long or short-sleeved gowns or sleepers and socks
- diaper pins or large, metal safety pins

Monetary donations are needed for shipping. Checks can be made to Rebecca Circle and given to Helen Kahl or Sara Kittleson, marked LWR Baby Kit Shipping on Memo Line. These items can be new or gently used, clean items. St Vinny's and other thrift stores are good sources for some of the items. There is a box marked Baby Care Kits in Fellowship Hall near the coffee station. Thank you for your support and for bringing soap and towels the last few months.

**SUGAR CREEK HORSE PROJECT** Help support the ministry we share through our Bible camp by sponsoring one of the squares on the Horse Project poster in the narthex. You can write your name in one (or more) squares, and make a \$20 gift to Sugar Creek. Horse project envelopes on with the poster, and checks should be made payable to ELC.

**ADOPT THE LAWN** Remember the "Adopt the Lawn" last summer? It's coming back! Watch for a sign-up in the narthex. This is a wonderful opportunity for a family - and if you have teens - silver cords!

**MOUNT HOREB AREA BLOOD DRIVE** will be held on Friday, April 3, from 1:00-6:00pm at ELC. For an appointment, please contact (800) 448-3543 or visit [www.redcrossblood.org](http://www.redcrossblood.org). Over the last few days, we

have seen blood drive cancellations grow at a concerning rate. To date, about 600 Red Cross blood drives have been cancelled across the country due to coronavirus concerns, resulting in approximately 18,000 fewer blood donations. Increasingly troubling is that we expect this number to continue to grow with the number of COVID-19 cases on the rise, making it difficult to sustain the blood supply for patients in need. That's why the Red Cross **strongly urges blood drive hosts to keep hosting blood drives** and for healthy, eligible individuals to schedule a blood or platelet donation appointment at [RedCrossBlood.org](http://RedCrossBlood.org) to help maintain a sufficient blood supply and avoid any potential shortages. The FDA said in a statement that coronavirus does not pose any known risks to blood donors during the donation process and urges people to continue donating in order to maintain the blood supply..

**SAFETY FIRST** At each blood drive, Red Cross employees follow thorough safety protocols. In addition to our standard procedures, the following additional protections will be performed:

- Pre-donation temperature screening
- Enhanced disinfecting
- Social distancing
- Staff wellness and protection
- Increased educational materials

**VOLUNTEERS DRIVERS NEEDED IN MOUNT HOREB** to drive eligible seniors, veterans and veterans' family members to medical and other important appointments and to deliver meals to seniors living in rural Dane County. These services allow them to remain living in their homes longer. Currently, the Mt. Horeb area has only two active RSVP drivers to keep up with the demand. Flexible scheduling and mileage reimbursement are available.

Come volunteer – your neighbors need you! Contact Gene Kundert, Drivers Services Manager at 608-441-7896 or [gkundert@rsvpdane.org](mailto:gkundert@rsvpdane.org). or Tom Poppe, Vets Helping Vets Coordinator at 608-238-7901 or [tpoppe@rsvpdane.org](mailto:tpoppe@rsvpdane.org).
