Our fundraising campaign for a new roof is off to a great start! An anonymous donor has offered to match the first \$20,000 given to the building capital fund over the next three months. If the rest of us step up to meet that match, we'll start September over halfway there. We'd like to see the capital fund at \$75,000 to cover both the new roof, and a margin of safety for emergency repairs. Our goal is to have finished raising the money in time for the annual meeting.
