A New Stage in Life and Ministry

Most of you have probably heard or read the news by now, that on Sunday, March 9th, I announced to the congregation that I will be retiring from ordained ministry as of June 1, 2025.

If you are not on the congregation's email list and would like to read the entire text of my letter to the council and congregation, please contact the office, and we will send it to you.

Please note that I said I am retiring from the office of the pastor of a congregation, and in doing so I am leaving the public acts of ministry on your behalf. After that date I will not be leading worship, officiating at baptisms, weddings, or funerals at ELC Mt. Horeb. We will be transferring our membership to another congregation. I've talked with Pastor Andy Twiton at Trinity Lutheran in Madison, and he seems to think that they would be willing to receive us as members.

I do believe that all of us are called to different forms of ministry during our lifetimes, Diane and I are looking forward to devoting more time to our family, volunteering in other efforts, and fulfilling our callings as disciples in new ways in the days ahead.

Paul wrote to the Corinthians: "Now there are varieties of gifts, but the same Spirit; and there are varieties of services, but the same Lord; and there are varieties of activities, but it is the same God who activates all of them in everyone. To each is given the manifestation of the Spirit for the common good." (1 Cor. 12:4-7)

At all stages of life, each of us, not just pastors, are called to serve in many different ways. With both thankfulness for all that we've shared, and anticipation for what lies ahead, I know that God's Spirit will continue to enliven and sustain the ELC congregation, and will accomplish what is good for all of us.

We look forward to celebrating the Good News of life at Easter, and for whatever journeys await.

God's Peace,

A Note from

PASTOR JOHN Cont.

AGAPE

Springtime greetings from Agape!

As I am working on this month's newsletter, I am learning that rain, snow, and cooler temperatures will be showing up again. We are all hoping it goes away quickly and that we will be enjoying sunshine, warmer days, and more outside time very soon.

Classes will resume on Tuesday April 1, after spring break, March 24 – 28. We will have lessons about gardening, kites, wind, and bugs. The students will learn about caterpillars and butterflies by observing them as they spin their cocoons, emerge, and are released in May.

Enrollment for the 2025-2026 school year is ongoing for both 3K and 4K classes. Please spread the word to anyone you know who may be looking for preschool options. We love getting referrals from our church family members! The 3K enrollment forms are available on the website or can be picked up from the Agape office during preschool hours or by appointment. 4K enrollment is completed through the MHASD website.

Easter Blessings,
Amy Kellesvig

TREASURER'S REPORT

BALANCE SHEET	2/28/2025	1/31/2025	12/31/2024
General Fund	31,633	44,615	35,757
Building Capital Fund	15,403	32,794	26,603
Designated Funds	108,615	115,703	78,674
TOTAL	155,651	193,112	141,034

After several very good months, giving dropped back in February to \$26,212. This is not unexpected and matches the pattern we've seen at year's end for several years now. At the end of February, we had \$34,180 in cash against \$2,547 in outstanding liabilities, for a balance of \$31,633.

We continue to make good progress on fundraising for this year's building capital projects. February income for the building capital fund was \$6,686. Expenses included \$22,600 to Roofing Specialists as the 50% down payment for the new roof, and \$1,494 to Alpha Controls. An additional \$6,055 expense for the boiler came in on the 27th, and will be included in March's payment cycle.

Designated fund income included \$187 for youth, \$185 for the kitchen, \$200 for the internship fund, and \$89 unspecified. We had kitchen expenses of \$97, and a transfer to the general fund to pay well-deserved bonuses to Brenda and Nancy. Both of them have done an exceptional job, and the financial constraints of the last several years have left us unable to reward them as much as they deserve. The council felt that our improved financial stability gave us the ability to recognize the indispensable work they do every day to help keep ELC going.

Respectfully submitted by Ben Brothers, March 9, 2025.

BENEVOLENCE

Thank You from - Divine Savior

Good afternoon dear pastor Twiton, brothers and sisters from Mount Horeb Lutheran Church,

First of all, our desire for a faithful and transforming Lent season for all. Then, in the name of our Church Council members, brothers and sisters and myself we acknowledge receipt of the recent offering we received from your church. I will be very honest, our financial closing for 2024 was in red. And your offering gave us some breath. We have implemented some raising fund activities for our operating expenses. Our prayers are to serve the community no matter what.

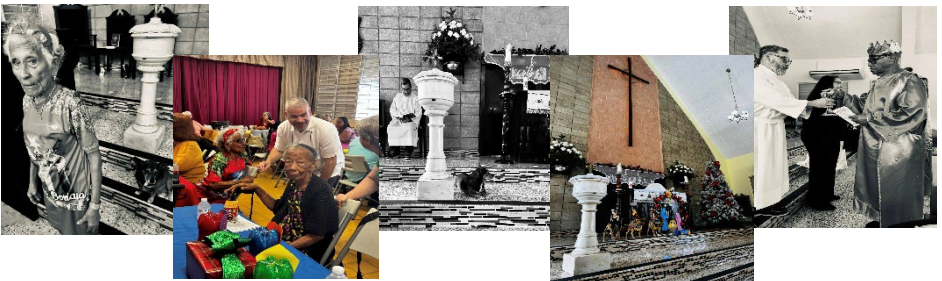

On the other hand, I am enclosing some photos from Epiphany Sunday, on January 5th. In one of them you will see Bishop Elizabeth Eaton, also Bishop Leila Ortiz. The dog in some photos is Veteran, he is a regular worshipper, and he sleeps in the pulpit space, where I stand to preach. His owner is Yulin Mujica, who is in another photo with Veteran.

Actually, I am imparting Catechism to six-person candidates for confirmation. There is always good news, people that have stopped coming to church are returning. But the number of sick people is increasing.

Oh God we thank you for this congregation that helped us for many years. Allow us to maintain this relationship with our brothers and sister at a distance. We are still under the wings of our Lord, and nothing can separate us and you there from His love, especially in such a time like this since January 2025. Thanks for your accompaniment.

In Jesus Christ,

The Reverend Diana Ceballos-González, pastora
Iglesia Evangélica Luterana Del Divino Salvador
Cataño, Puerto Rico

BENEVOLENCE Cont.

Creating sanctuary for everyone

Do you find sanctuary in our sanctuary?

I know I do. I find myself drawn to the space, and not just because it's an architectural masterpiece. I feel a sense of comfort gathering among you all there. It's a place where I can be fully in the moment – while also feeling a connection to the church where I grew up, the church my grandparents attended, the church extending back for generations into ancient times.

What if you didn't feel at home there? What if you couldn't immerse yourself in the experience of worship and feel welcomed by friends and strangers alike? And in fact, singled out as the antithesis of what the church stands for - a sinner of a different magnitude?

We can and should apologize for the mistakes of the past, but the most powerful form of atonement is offering a warm welcome to the members of ELC's future. To recognize that society's obsession over gender and sexuality distracts us from the commandment that stands above all others - to love our neighbor as we love ourselves.

As a church, we've made a firm commitment to being a Reconciling in Christ (RIC) congregation that welcomes everyone. We owe a huge debt of gratitude to many people for helping us evolve as a church – most notably Pastor John. I've heard many people comment in the last week about the importance of finding a successor who can continue his work to move past being a place of acceptance – which implies a passive approach – toward actively declaring our position and bringing people into our fold.

The RIC committee, chaired by Jeff Hook, will help ELC continue this journey. Please reach out to Jeff (jeffreyhook@hotmail.com) if you're motivated to drive our efforts forward in 2025.

PROPERTY

By the time you read this issue of Echoes, the roof repair should be in full swing. Going forward, the construction option that was selected is a raised one that will direct water to the eaves. If water doesn't sit on the flat roof, leaks should be GONE!

Andy Mullendore continues to work with contractors to resolve the boiler/heating problems that have plagued us since August. High fives for taking on the project.

Semi-annual inspection and pruning of the trees on the property will be done this month.

The AC unit in the Fellowship Hall has been replaced. Looking forward to a warm summer with cooling options for the room!

The annual inspection of the fire extinguishers and AED units has been scheduled and will be completed within the month.

An issue (hole in the hose) with the adjacent units that support the detergent and rinse agents for the dishwasher has been scheduled for replacement. Note that this is NOT the dishwasher itself! Relax! 😊

Jeremy continues to get familiar with what's required for maintaining the building. A final clean out of unneeded and old items will be done by the end of the month. Whew! It's been a huge job, and results in better organization of supplies.

Again, if an issue is seen, please tell someone! There are CUSTODIAL REQUEST forms on the bulletin board outside of Nancy's office.

Thank You
