# AGAPE

Happy Summer from Agape!

Preschool becomes quieter over the summer months without the students, but the teachers and I will create a little noise as we work on cleaning and organizing to get ready for the upcoming school year.

We are gearing up for our fun-filled summer camps and still have room for kiddo's ages 3 years to 5 years to join on the following dates from 8:30 am – 11:00 am:

**Wednesday, June 25 – County Fair**

**Wednesday, July 16 – Water Fun**

**Wednesday, August 13 –Outdoor Adventures**

Adult caregivers may also attend the camps with children under 3 years of age. Please reach out if you are interested in enrolling a child for one or more of the camps.

Have a wonderful summer filled with fun and great memories!

# **TREASURER'S REPORT Cont.**

General fund income of \$22,737 was less than our general fund expenses of \$29,692, resulting in a monthly loss of \$6,955. We've now had several months of deficit spending, which has reduced the balance in the general fund well below where it stood in January. At month's end we had \$17,368 in assets against \$3,255 in liabilities for a general fund balance of \$14,114.

We raised an additional \$2,701 for the building capital fund, but do not have sufficient funds to finish paying for the roof repair which should be complete this month. We will owe \$22,600 for that project, and the council has voted to use money from the Rose Klir estate fund to help cover the cost.

As of this writing, the congregational meeting to approve a mortgage for upcoming building repairs has not yet happened, but it will have taken place by the time you receive this report. As you know, during very cold weather, the circulating pump is unable to sufficiently heat the Agape wing without being manually set to high, which overheats other portions of the church (like the choir room and restrooms). Replacing the pump necessitates new electrical panels, since the current electrical panels are original to the church, are not up to current code, and do not have replacement parts available. Our estimate is that these repairs will cost \$150,000.

Current mortgage rates for ARM loans fixed for 3, 5, or 7 years, with amortization over 10 to 25 years are between 7.25% and 7.5%, based on the specifics of the loan, with free pre-payment of principal. To give some rough numbers, \$150,000 amortized at 7.5% over 10 years results in a monthly payment of \$1,781. Amortizing over 15 years is \$1,391.

Benevolence for May raised \$978 for Neighbors Helping Neighbors, and \$101 for Divine Savior. Other designated income included \$187 for youth, and \$94 unspecified. Designated fund expenses included \$209 for RIC, \$102 for the kitchen, and \$86 for Compassion International.

Respectfully submitted by Ben Brothers, June 16, 2025.

# BENEVOLENCE

## *Building a better future*

For our summer months of Benevolence, we'll focus on a pair of organizations that offer people in our part of the state opportunities to move their lives forward by investing in themselves.

In July, we'll focus our efforts on **Literacy Network**, an organization that for 51 years now has provided free assistance to help adults improve their skills in English language communications, reading comprehension, and use of information technology. As a result, they advance their careers, help their kids succeed in school, become U.S. citizens, understand health information, or obtain their high school diploma or other degrees.

The organization, based on Madison's South Side, serves approximately 1,400 adults each year; nearly all are people of color who come from low-income households. Some slipped through the cracks of the educational system. Others arrived here from foreign countries without much of a foundation in English.

Adults who participate in at least 100 hours of basic education programs at Literacy Network increase their annual incomes over time by an average of \$10,000, and immigrants who become naturalized citizens have about 10% higher family income. That's a huge impact!

In August, we will feature **Habitat for Humanity of Dane County**, an organization that has made its mark in Mount Horeb and other municipalities in the region – through building new homes for income-restricted families but now also providing home repair and financial capability programs.

Habitat has built more than 350 homes in Dane County since 1987, offering low- and no-interest mortgages to affordable homes, with an average price of \$262,000 in 2024. Individuals and families must contribute between 275 and 425 sweat equity hours toward construction of their home, and must meet minimum and maximum income guidelines based on household size...

The home repair program, a relatively new addition, helps people maintain and sustain home ownership as they age or face disability. And the financial capability program addresses root causes of financial instability that serve as a barrier to home ownership, helping families improve their credit and budgeting so they can qualify for a Habitat home.

# BENEVOLENCE Cont.

Here are some ways you can support these two organizations:

**Literacy Network** is always looking for volunteers to provide 1-on-1 training to help students improve their reading and writing, build English language skills, learn basic computer skills, earn their high school equivalency diploma or prepare for citizenship exams. They're also looking for volunteers for data entry and to maintain their library resources. To learn more about Literacy Network, visit their website ([litnetwork.org](http://litnetwork.org)), sign up for their newsletter and follow them on social media.

**Habitat for Humanity** offers volunteer opportunities at construction sites (no experience is necessary!) and at its ReStore locations on the west and east side of Madison. If you are interested in lending your professional or life skills in other ways, you can serve on one of five committees – including construction, land acquisition, advocacy, ReStore and development. And you can go through ReStore to either donate household construction items or purchase items for your own home projects. To learn more about Habitat for Humanity, visit their website ([habitatdane.org](http://habitatdane.org)) and follow them on social media.

To financially support these organizations, you can make monetary donations to Literacy Network during July and Habitat for Humanity during August by:

- **Mail:** Send a check to ELC and note “Benevolence” in the memo
- **Online:** Visit the ELC website and click “Give”
- **Digitally: Digitally:** Download the **VANCO MOBIL FAITH ENGAGEMENT APP**, or text "Benevolence" to 608-400-0183 with the amount you wish to give.

## COUNCIL

Greetings from your Church Council,

First off, in case you're not aware, please know Mark Mostrom has stepped down as Council President. Dianne Hirsch has now taken over as President and Carl Sieg as Vice President. We appreciate the countless things Mark has done for us in that role and sincerely thank Dianne and Carl for stepping in at such an important time.

Next, we are continuing to work through the process of securing an interim pastor to see us through our transition phase. This entire process can take a few months, so please bear with us. We will provide updates as we are able.

## COUNCIL Cont.

Related to that, we also recognize we're entering a very unique time for our congregation after 19 years of comparative continuity. While it could be perceived by some as a time of uncertainty, we hope you can look at it as an exciting opportunity to embrace the changes that will result as we move forward. And yes, change can be daunting at times. However, we can find solace in the fact that we'll all be traveling this road together.

During our transition to a new pastor, we are already learning that there will be many things to figure out. Some of those are day-to-day things that Pastor John simply handled for so long that the rest of us lacked awareness. Others are due to the fact that the transition process is new to us. In either case, we are doing our best to understand them and navigate through them.

We also realize how much we will need the support of our entire congregation during this time. I feel very blessed to be surrounded by such an awesome group of people between our church council and our amazing staff. It's very obvious how much we all care about our church and our congregation. Please note though, we are also a limited commodity. We can't realistically take care of all the things that need to be taken care of by ourselves. While we are in leadership positions for the church, the church is truly comprised of all of us. It IS all of us. And now more than ever, we need help and support from everyone to keep it strong and help it grow. We ask you all to look for ways to contribute, no matter how small they might seem.

Another ask is that we support each other during this time. Let's lean on the core values and beliefs we share and look to lift each other up. Let's show each other some extra care and compassion, patience and understanding, friendship, trust, and respect to help see us through.

It will also likely be easy to find fault with some things. And while the council and staff will always want that feedback, we would just ask that it also be provided in a loving and benevolent manner.

We are all God's children and are doing the best we can. If we can share our love for God with one another, life will be much easier as we continue on this journey together.

Peace to All,

Gary Hastings  
Council Member (and generally nice guy)

### *Rain, rain, please stop for a while!*

-The roof repair project has been delayed again. The rain gods are against us! Bad weather has impacted the contractor's scheduled projects which has impacted our project. Hopefully soon!

-A meeting between ELC, Duluth and the Village was held to review the agreement and address issues and concerns. Duluth agreed to block off an area for the Farmer's Market. Nancy will notify Duluth for events where we need more than our red marked spots. Required review meetings every two years are now on the calendars.

-Not squirrels, thank goodness, but birds in the ceiling of the main office. Premier has been contacted to fill in the holes from the outside.

-Broken tiles under the sanctuary pews were replaced.

-An on/off switch in the Chapel has replaced the installed switch that often didn't get turned off again. There's a red light on the switch when it's on.

# RIC (Reconciling In Christ)

Jesus calls us to welcome the stranger. On the front cover of our Sunday bulletin the ELC welcome statement and RIC logo speak to visitors and members alike. Outside of the church we welcome people to ELC by displaying the RIC flag.

The logo on the RIC flag can be described as follows:

- **Heart:**

Represents the core of the Reconciling in Christ program, symbolizing advocacy and outreach, and the principles of reconciliation.

- **Intersecting Lines:**

Symbolize the various forms of oppression and discrimination, highlighting the need for inclusion and reconciliation in areas like LGBTQ+ rights and anti-racism.

- **Colors:**

The logo includes the colors from the Progressive Pride flag, blue, pink, and white stripes representing transgender individuals, as well as black and brown stripes to represent the BIPOC community.

- **Overall:**

The logo conveys the message of welcome, inclusion, celebration, and advocacy for all, particularly LGBTQ+ individuals, and BIPOC members of the community.

The symbolism on the RIC flag, the welcome statement and logo on the bulletin cover shows that ELC is a welcoming place of worship for all people. It shows that ELC is a RIC congregation and that we welcome everyone. What else could we do as a congregation?

One way is to display the Progressive Pride flag. This flag speaks directly to members of the LGBTQ+ community that we at ELC see them, acknowledge them, and welcome them. By displaying the Progressive Pride flag ELC is making a statement that our congregation is an ally for members of the LGBTQ+ community. The RIC committee supports displaying the Pride flag. The church council supports displaying the Pride

flag. By displaying the Pride flag AND the RIC flag ELC is striving to welcome everyone.
