# *Pastor's Reflections...*

On Ash Wednesday—February 18<sup>th</sup>—we will begin a journey that leads us to the cross of Good Friday ...and then to the empty tomb of Easter. As we journey toward the cross, we are encouraged to take time to reflect more intentionally, more deeply on the grace and love of God.

The Lenten season is meant to be a time of renewed focus on our spiritual lives—with PRAYER at the center of it all. PRAYER connects us with God... and invites God into our life / our world. PRAYER nurtures our faith. PRAYER encourages growth—spiritual growth—growth in service to God and others... growth in our identity as beloved sons and daughters of God... growth in our life together as sisters and brothers in Christ. There is nothing more powerful than PRAYER.

Several years ago, I ordered a copy of Max Lucado's little book: "*Before Amen – the Power of a Simple Prayer.*" I didn't intend to read it in one sitting, but I did. (To be honest, it is a book I return to regularly). I confess: PRAYER is a practice I have always struggled with. I wish I were a better pray-er... a stronger pray-er... a more faithful pray-er. I believe in the power of PRAYER, but I am hot and then cold in my own practice of PRAYER. It comforts me to know that I'm not alone in this struggle. The first disciples also struggled with PRAYER. How do I know? In Luke's Gospel, it is the one lesson the disciples specifically asked for— "*Lord, teach us to PRAY, as John taught his disciples*" (Luke 11:1).

Jesus, our Teacher and Lord, set a great example for us when it comes to PRAYER. He prayed before eating. He prayed for the sick and hurting. He prayed for his disciples and friends, *and* he prayed for his enemies, too. He prayed with thanksgiving, *and* he prayed with tears. Scripture tells us that Jesus often went off by himself to pray. Sometimes he even spent entire nights in prayer.

When the disciples asked Jesus to teach them to pray, he gave them a PRAYER—a easy, repeatable PRAYER—a PRAYER we use to this day... what we now call "The Lord's Prayer." Is that what he intended—that they (*and* we) would pray those specific words? Or was his PRAYER a guide for how to pray... and what to pray for? Either way, it's a powerful PRAYER!

## **PASTOR'S REFLECTIONS Cont.**

PRAYER—the Lord’s Prayer in particular—will be our focus and guide over the 40 days of Lent this year—especially at our Wednesday Lenten services. Each week we will see how PRAYER draws us close to the cross... and to the very heart of God. Please join me in this Lenten journey of PRAYER. I believe our Lord will, indeed, teach us PRAY; and that through PRAYER, we will be changed—both personally and as a congregation.

*Pastor Karen*

## TREASURER'S REPORT Cont.

Generous giving during the Christmas season meant that December general fund income was \$54,991. Expenses were \$32,001, resulting in a gain of \$22,980. That gives us a bit of a breathing room in the general fund as we head into the new year, with a current balance of \$31,761, reflecting \$36,788 in cash against \$5,026 in liabilities.

General fund income (minus transfers) for 2025 was \$343,748, a decrease from the \$398,770 we brought in in 2024. Expenses last year were \$353,744, which meant we ended the year with a small loss of \$3,996 (including transfers).

General fund income (minus transfers) for 2025 was \$343,748, a decrease from the \$398,770 we brought in in 2024. Expenses last year were \$353,744, which meant we ended the year with a small loss of \$3,996 (including transfers).

In December we received a very generous estate gift from Max Rosenbaum for \$86,277. Half of this money was used to pay down the mortgage, and the other half remains in the designated fund pending a decision on how best to use it.

Benevolence for December raised \$763 for Young Adults in Global Mission, and \$85 for Divine Savior. We also collected \$1,330 for the ELCA World Hunger Appeal.

Designated fund income also included \$1,089 for Neighbors Helping Neighbors, \$300 for the kitchen, \$215 for youth, and \$10 for the internship program. Expenses included \$2,042 for Neighbors Helping Neighbors, \$1,223 for Divine Savior, \$440 each in benevolence distributions to Our Lady of Hope and Community Connections Free Clinic, \$135 for RIC, \$86 for Compassion International, and \$78 for the kitchen. Interest on the outstanding boiler mortgage was \$672.

Respectfully submitted by Ben Brothers, January 13, 2026.

# BENEVOLENCE

## Continuing our support for Ariana and Simon

In February, we continue our benevolence calendar by raising funds to support two children through our long-standing partnership with Compassion International.

Compassion International is a Christian nonprofit organization that works to help children living in poverty through child sponsorship. Founded in 1952, it partners with local churches in developing countries to provide children with food, education, healthcare, and mentoring, while also supporting their emotional and spiritual growth.

The organization is regarded as trustworthy by charity watchdog groups because of its long history, strong accountability standards, and positive outcomes shown in independent research on child development.

Compassion is also known for overall transparency, including regular publishing of audited financial reports. Most donated funds go directly to programs that serve children and communities, with a much smaller portion used for administration and fundraising to ensure the programs are effective and sustainable.

Sponsoring two children through Compassion International currently costs \$86 per month. Over the years, ELC has sponsored five different children. The two children we currently sponsor are 8-year-old Ariana from Mexico and 13-year-old Simon from Tanzania.

Ariana is not as communicative through her letters, but seems artistic and playful, and loves snacking at the center she attends. Ariana has been living with her maternal grandparents since her parents' separation. She writes about her best friend Monse, whom she met at the Compassion International Center. She recently expressed that she enjoys learning about the parables and the story of Noah's Ark.

Simon has always seemed energetic, sporty, and industrious. Currently, he is at the beginning of eighth grade, and his favorite subjects are math and reading. He often shares about school, his family, and his responsibilities on their farm. In school this past year, he's been learning new math skills, first aid, the laws of their country, and citizenship. His family situation has remained stable in the years that we have sponsored him.

## **BENEVOLENCE Cont.**

I would ask that you prayerfully consider helping us continue to make a difference in the lives of these two young Christians by supporting February's benevolence mission. So many benefits are available to Ariana and Simon as a result of ELC's continual support.

We'll be collecting donations for Compassion International throughout February. You can contribute via:

- **Mail:** Send a check to ELC and note "Benevolence" in the memo
- **Online:** Visit the ELC website and click "Give"
- **Digitally:** Download the "GivePlus Church" mobile app, or text "Benevolence" to 608-400-0183 with the amount you wish to give.

# COUNCIL

Greetings!

I hope everyone is managing to keep warm! 2026 has already been busy. Church council met for our annual retreat on January 10 and again for our regular monthly meeting on January 12. The hiring of a new pastor warrants a review of our congregation's constitution and our congregational structure. These were the main topics of both meetings.

Ben Brothers and Dawn Haag (Constitution Committee) have painstakingly gone over our constitution and made some suggestions for revisions. We reviewed these and made further suggestions. After the revisions are finished, the congregation will have opportunities to view and vote on the changes.

Council members Kate Hook, Dianne Hirsch, Ann Baumgartner and Chris Coffin have been busy reviewing our church committee structure: which committees work well; which no longer seem relevant; ideas for new committees; the need for volunteers, etc.

***Thank you to both committees for their hard work!***

Discussion is still in the preliminary stages. We welcome input from the congregation. If you have thoughts or ideas you'd like to see implemented, please contact any council member. See our website for contact information: [www.elcmthoreb.org](http://www.elcmthoreb.org).

Vaya con Dios!

Kathy O'Donnell  
ELC Council Secretary

Our "weekly" expenses for this church to have our doors open, heat/cool the building, have lights on, pay staff, etc. is approximately **\$7,358.00**.

I'm hopeful that we each take a prayerful moment to consider giving an extra \$10.00 a week as Treasurer, Ben Brothers suggested at our annual meeting in November to help cover expenses.

If you are unable to increase your giving, I understand. I'm hopeful you will consider a gift of your time to be a greeter, usher, give communion or be a reader during services. All areas need people.

## **COUNCIL Cont.**

Please also sign up for the small group chats that our Transition team is offering. Your voice is important and needs to be “heard”. Your feedback will help in calling a new pastor and help shape the future of ELC. Peace be with you.

Dianne Hirsch/Council President

## **COUNCIL DUTIES**

It is now part of the monthly Council member duties to make sure the doors are locked on Sundays. (We've left parents out in the cold after Sunday School, unable to get inside because doors were locked too early.) Thank you for your attention to this matter.

Dianne Hirsch, Council President

---

## **INREACH/OUTREACH**

We will again be hosting our free will offering Lenten luncheons, **beginning on February 18th, Ash Wednesday**. Please see our luncheon menu posted on the bulletin board by the coffee station. We again ask for people to donate, as able, cookies, bars, or desserts. A sign up is provided. Thank you for helping!

## **PROPERTY-CUSTODIAN**

Custodial work has been brutal the past month, due to the rain and snow and tracking in salt and wet footprints.

Several events required moving tables in Fellowship Hall: +Winter Market, Red Cross Bloodmobile, a Celebration of Life and a large funeral.  
+Weekly resetting tables to accommodate the quilting group on Thursdays.

Table moving is also required in the classrooms, and has been done several times recently.

Extra kitchen cleaning was needed once the lefsa production events were completed.

Jeremy also is responsible for overall cleanliness of all three areas of the building. Are you aware that we have three buildings that require work? This (excludes Agape that has their own custodial person), includes emptying all trash and recycling bins, cleaning bathrooms and classrooms and managing all paper supply products for the building.

## **PROPERTY Cont.-CUSTODIAN**

Two large tables with folding legs were donated to ELC, thanks to Karen Tetzlaff. Jeremy and his truck picked them up and delivered to ELC. One was placed in the Martin Luther room to replace the cabinet that was moved to the Chapel foyer. Thanks to Jeremy and Karl for moving the cabinet. It is a nice addition to that area.

Please remember that both Karl and Jeremy have mailboxes in the office; and if something is needed please use the MAINTENANCE/CUSTODIAL REQUEST forms that are on the bulletin board outside of Nancy's office.

Other:

Continuing frustration with the heating in the building. Karl is coordinating on resolutions.

Noticed a roof leak Dec 18. Roofer was called and arranged to come to check it out. Resolution still in flux. His men got on the roof during the Kittleson funeral!!

Discovered no hot water in the kitchen when preparing for the Kittleson luncheon. Contacted A+, but before serviceman arrived, it somehow came back on. The issue was checked by A+ but found no issues.

## **MAINTENANCE**

The Narthex hall lights have all been converted from fluorescent to LED bulbs and the fixtures were cleaned and repaired from the water damage. All light fixtures in the music room were fixed and cleaned from water damage as well.

All outside lights have had bulbs replaced that were not working. There have been other various light fixtures cleaned and replaced in meeting rooms, stairways, hallways and the kitchen. I would like to thank John Martin for volunteering to help me with the narthex light fixtures.

All exit lights are now working and we had a follow-up walkthrough with the Mount Horeb fire department. All safety violations have been rectified. These included lighting, fire extinguishers and storage items that were too close to heating devices.

We also prepared for the cold winter months by removing water hoses from water spigots, cleaning gutters on the roof and fixing downspouts. While on the roof, I took a look at the restroom fan exhaust motor. A bad switch was diagnosed and fixed, so the fan is now working for the main restrooms in the Narthex.

Other odds and ends include some maintenance on the folding machine in the office, moving furniture and fixing chairs and doors.

# TRANSITION TEAM

## Congregation feedback highlights

Thank you to everyone who took time to share your reflections on the purpose of ELC Mount Horeb and what draws you to this congregation. A clear and meaningful pattern emerged across the notecards. Many shared that the heart of our congregation is to share the love and teachings of Jesus, through worship, daily actions, and how we care for one another and the wider community. There is deep value placed on living out Christ's message with kindness, grace, compassion, and hope.

A strong sense of community and belonging was named repeatedly. People shared that they stay at ELC because it feels like a spiritual family, a place where all are welcomed, accepted, and supported. This includes a clear emphasis on inclusion and safety for every person, with multiple reflections naming LGBTQ+ acceptance as an important part of our identity. Music, worship, and opportunities to learn and grow in faith were also lifted up as central to congregational life, especially in nurturing children and strengthening faith across generations.

Many responses also expressed a desire for continued growth and vitality, particularly in welcoming younger families and exploring creative ways to use our gifts, leadership, and building in service to the Mount Horeb community. At the same time, there is a deep appreciation for the congregation's history, traditions, and long-standing relationships, with many noting personal milestones that connect them to this church. This thoughtful feedback will guide ongoing conversations as we discern how God is calling ELC forward.

The RIC Committee will hold an engagement session at 4:30 pm, on February 21, 2026, prior to worship in the Chapel. We would like your input, and we look forward to a good discussion. The questions we will discuss are:

- 1) What does it mean to you to be a RIC member/congregation?
- 2) How does RIC fit in our overall ministry here at ELC?
- 3) How do we live as our RIC Commitment/Mission in the community?
- 4) How do we ensure all are welcome at ELC and how do we show it?

## PRAYER SHAWL MINISTRY

*Made in prayer... as prayer... for prayer, these shawls are to be passed on hand-to-hand and heart-to-heart.*

If you know someone who is struggling... someone who is hurting... someone who is feeling alone or unseen, consider giving them a Prayer Shawl – made with love by members of our congregation. With this simple gift, they are reminded—in a tangible way—of our love and care for them... and of God's unconditional love and presence as well. (\*\*Prayer Shawls are found on a rack in Fellowship Hall).

**T-SHIRTS NEEDED:** Each Baby Care Kit assembled for Lutheran World Relief contains four diapers. To help recycle and keep costs down, we utilize T-shirts and sew them to make diapers. If you have T-shirts adult size Large or larger, we can recycle them. Please drop them in the church office. Thank you for your contribution. Stay tuned for more information regarding other donations needed for our Baby Kits.
