

WHAT DO I BELIEVE . . .

When you were baptized, your parents and sponsors and the congregation “believed on your behalf.” Over the years, you have been taught and shown what your parents and sponsors, teachers and pastors, mentors and friends believe. NOW it is your time to put into words what YOU believe.

Where do I see GOD in my life?

If I could ask GOD any question, it would be...

It's hard to TRUST God / have FAITH when...

To me, “living out my FAITH in daily life” means...

To keep growing in the CHRISTIAN FAITH, I will need to...

MY CONFIRMATION PROMISES:

To GOD, I promise that I will...

To the CHURCH, I promise that I will...

To my FAMILY, I promise that I will...

To my FRIENDS, I promise that I will...

To MYSELF, I promise that I will...

Closing Prayer

Dear God, thank you for loving me, guiding me, and calling me by name. Help me continue to grow in faith, serve others with kindness, and follow Jesus in my daily life. Amen.
